APO 357 S. F.

Morning darling:

Will take this letter to P.O today. Nother month gone. Busy as hell - moving to new tent - new phones in - lights etc. Also my new asst. is an awful grandma pants & fuss budget. Takes 3/4 of my time to keep him happy!

Sam Summers over last night. Brot me quart of excellent Canadian whiskey. Whoops!!

All my love dearest one -

Henry
