

AMERICAN RED CROSS

ASCOM I APO 331 Sept. 12, 1945.

To: Director, ARC, Zone E.

From: A. J. Dombrowsky, Asst. Dir.

Subject: Evaluation of W. H. Knowlton.

Mr. W. Henry Knowlton was assigned to the ARC Communications Section on or about May 23, 1945. Mr. Knowlton, through his zeal and organizing ability perfected the physical set up and placed into effect a highly satisfactory plan of operation.

Because of his intense interest and desire to do an excellent job, he devoted his entire energy to the task and imbued others in the Section to do likewise. Due to this effort and results obtained, I saw fit to recommend that he be promoted to a Field Director.

I would particularly desire that Mr. Knowlton work with me in any capacity or position that Red Cross would offer.
